Musical Event "Family Jam"

Ever wanted to try your hand at being a musician? Easy! The SviTy participants took part in the family event "Family Jam" by Tempo Music Center, where they had the opportunity to explore a new role and master musical instruments. This event will be a great idea even to those holding a musical instrument for the first time, ensuring that everyone derives satisfaction from the process.

Musical Improvisation at Family Jam is not just a chance to have fun and bond with family and friends but also a way to escape from everyday life, discover new talents, reduce stress level, and enhance emotional intelligence.

Unveiling of "Svity" Space in Zhytomyr

"SviTy" now shines in Zhytomyr! The team from Lviv graced the grand opening of the "SviTy" Psychosocial Support Center in Zhytomyr on January 12. The space is designed primarily to support teenagers and families who have been displaced due to military aggression and for those whose parents are involved in combat mission or have fallen defending the country.

Here, professional experts will assist children in overcoming the repercussions of psychological trauma through effective modern methods, including interactive exercises, games, relaxation, art therapy techniques, and more. We are thrilled for the children and wish the team success!

January in Khmelnytskyi

Ice Skating

Winter is a time for fun, and teenagers need activities that uplift spirits and allow them to spend time with peers. The Svityvtsi from the club in Khmelnytskyi enjoyed ice skating – some gliding confidently, while for others, it was a successful first experience. This event was significant, engaging, and emotional for the children.

Trip to the theatre

Children, together with parents, attended the play "The Snow Queen". After the show, everyone was filled with positive emotions as the theater is one of the most effective ways for the harmonious development of each child.
